Dear Mr. Weller:

On August 19, 2021, the Commission approved updated **Permanent** Power Cost Equalization (PCE) amount(s) in cents per kilowatt-hour (¢/kWh) for Pelican, City of (PELICAN), for the listed classes of customers as follows:

Residential	6.08¢
Community	13.66¢

The revised PCE amount(s) result from the review of PELICAN's Fuel Report filed on July 7, 2021. The PCE amount(s) are effective for bills rendered on or after August 20, 2021. A copy of the Commission Staff's recommendations and schedules are attached as an Appendix.

PELICAN is reminded of its obligation under the PCE legislation to provide its customers with the notice specified in AS 42.45.120 or similar notice approved by the Alaska Energy Authority.

PELICAN is also reminded of its obligation under 3 AAC 52.620 and 3 AAC 52.640 to notify the Commission of any change in its rates, surcharges, fuel costs, and/or efficiency of operation, and advises PELICAN that a failure to comply with those reporting requirements could jeopardize continued participation in the program.

If PELICAN believes that the calculation used to establish the PCE amount set out above is incorrect, it should seek reconsideration setting forth why it believes the calculation is in error. Any reconsideration request must be submitted within 15 days of the date of this Letter Order.

If you have any questions regarding the calculation of PCE amount(s), please contact Utility Financial Analyst Brenda Cox at (907) 263-2131.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
